Subject: thanks!

Dear Sterlen,

What can we say but "THANK YOU!"... it was truly wonderful to see the students at St. Frances Cabrini School so happy and engaged by your presentation on Tuesday! You, Demetrius, and your team of dancers have a real gift when it comes to relating to youngsters! We wish you all the best with your good and important work.

Sincerely,

Barbara Gollin (& all the mentors at St. Thomas of Villanova parish)
