Subject: Thank you from Lower Mayfair Playground

Hi Mr. Barr,

I just want to thank you very much for bring Rapping About Prevention to Lower Mayfair. Today was our opening day and Rapping about Prevention was a great way to start off our summer camp. Our campers really enjoyed and benefited from it. You have a fantastic way of bringing across the importance of health and exercise through your program. It is very encouraging to see such a program being offered to our children. It was fun! If by chance you have the time next summer, we would be very glad to have you come back.

Take care Mr. Barr and once again thank you for all that you are doing through your program, Rapping About Prevention.
