Hi Sterlen -

It was great to see you yesterday at the HYPE Summit! Your crew is such an integral part of the HYPE movement and everyone loves to see them perform. Below is a thank you for sending your guys to our Hoops for Heart event.

Thank you so much for sending some of the Special EFX dancers to our Hoops for Heart fundraiser last week! Our students raised \$1000 for the American Heart Association and our event celebrated that effort with two hours of fun activities.

Some of our students were shy to start dancing, but your guys got them moving and having fun, while putting on a great show at the same time.

I push the message of staying healthy to my students everyday and I really appreciate the support of you and your dancers in promoting a healthy lifestyle!

Thanks again!

Mary
