Subject: Bridesburg Assembly

Good Afternoon,

I am a teacher at Bridesburg Elementary and I wanted to commend you and your team on a fantastic assembly! You were able to keep the kids engaged for the full hour and present information, which they may have wanted to tune out, in a fun and relatable way. I also loved that you got the teachers involved in the assembly. Teacher participation is key for students to feel comfortable participating. Awesome job! I forwarded your website to colleagues that are at other schools and told them how fabulous the assembly is. Hopefully they will contact you.

Thanks again for a fun-filled hour!

Sincerely,

Lauren Yeiter
