Subject: today's program

Dear Mr. Barr,

I am a staff member at Fawn Primary Center where you did a program this afternoon. I just wanted to let you know what a phenomenal job you did. The enthusiasm and energy that you and the other guys had was simply wonderful. I have to tell you that, in my opinion, this was one of the best programs we have ever had. Thank you for the fun afternoon and keep up the good work!

Marci Scholze
