

October 30, 2014

Hi Sterlen,

I just wanted to take a moment to say thank you for sending your team for our annual nutrition assembly. It is clear to me that you have taught your team very well. They were professional, well mannered, engaging and totally enthusiastic. Our students were so impressed. Thanks again for keeping us on your list of schools to visit. We look forward to working with you in the future for our PSSA Rally. Thanks,  
Ms. Crombie
